

A Letter from our Executive Director

Dear WGB Friends,

We miss our volunteers dearly and are so appreciative of how many of our volunteers want to get involved and support during this critical time. Although we have temporarily placed our volunteer opportunities on hold, we still want to offer a few ways you can help support our important work.

- Purchase items from our [Amazon Wish List](#) or other like items from online stores and have them shipped directly to our warehouse at 20 Export Drive, Sterling, VA 20164. Or pick up a few of our needed items below and drop them off in our no-contact bin outside our warehouse.
- Assemble snackpacks from home and drop them off at our warehouse. Personalize them with a thoughtful, uplifting note in each one. It's a great way for teens to earn volunteer service hours. [Email our volunteer coordinator](#) to make sure your hours are credited.
- Organize a fundraiser for #GivingTuesdayNow on May 5th from your Facebook page or set up a GoFundMe page for your friends and family to help you spread the word.
- [Make a monetary donation](#) towards our efforts. All donations coming in at this time go straight towards funding our COVID-19 relief efforts.
- Share, share, share our efforts with your network. By simply sharing this email or one of our Facebook posts, you are making an impact and helping us spread the word about WGB!
