

GivingTuesdayNow

Thank you to our \$20K matching sponsor [Heritage Contracting](#) and to all that helped us raise an incredible \$67,776 on GivingTuesdayNow which just happened to land on Cinco de Mayo.

With the hard loss due to the cancellation of the Cinco de Mayo Fundraiser and our increased operating expenses, the money raised will help continue to feed those facing food insecurity.

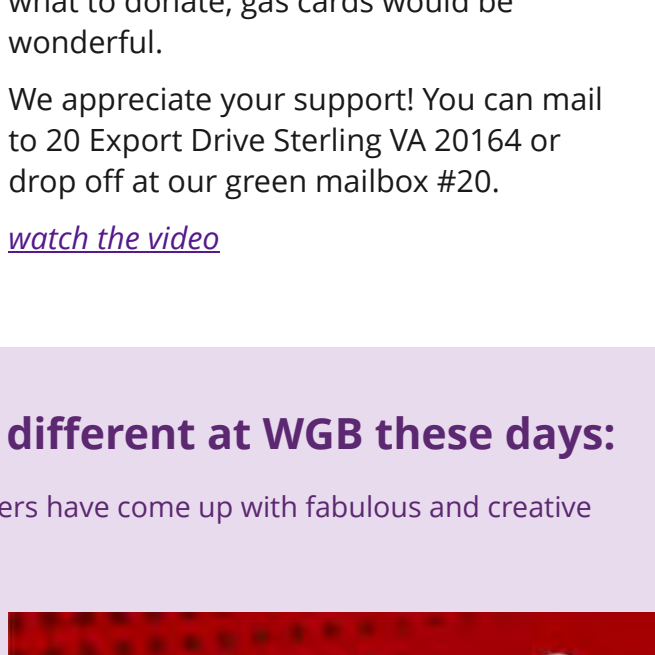

'Facilitating Connections' in Quarantine in Great Falls

By Caroline Watkins/The Connection

Volunteer & Fundraising looks different at WGB these days:

During this pandemic, our volunteers and supporters have come up with fabulous and creative ways to help WGB from a distance.

50 West Vineyards donated portion of their proceeds from their sales of beautiful Mother's Day gift packages.

Our friends at Red Thinking hosted a 4-week virtual Bingo game, donating to WGB in the name of each week's winner.

Fairfax Corner & Virginia Gateway Shopping Center's "Carryout for a Cause" initiative donated \$10 to Women Giving Back for every time a restaurant patron posted a photo of their yummy curbside pickup.

Flint Hill School Student and WGB Volunteer, **Chloe Kahler** found a way to share her love of drawing with children in the community. She raised money on social media to make 100 art kits which were distributed at our drive-thru pantry.

The All American Steakhouse in Ashburn is one of our clothing drop off locations. Since clothing donations are at a temporary stand still our local restaurant friends found a way to help through an online fundraiser raising funds.

2020 CNU Grad, **Carly O'Connor** did not let a pandemic stop her from finding a way to give back. Carly raised money to purchase a large haul of items need for our pantry.

Films By J hosted a StreamFEST where a collab of 4 top DJs raised money for impacted Loudoun businesses. World Champion **DJ-Dee** (Isaac De Lima) in Australia chose WGB as his charity for the proceeds of this successful online event.

Local Social Media Influencer, **Tonya Michelle's** heart was called to action to help by donating and raising money to purchase a large load of needed items to serve families at our drive-thru.

The DC Metro Chapter of the Asian Real Estate Association of America usually volunteers with us every May for their community awareness month. This month instead they raised funds to support our COVID relief efforts.

Hillary Tattersall and the Rivercrest Gals had a fun kids Snack Packing party to help feed the kids through our drive-thru.

Our generous partner **The Tin Cup Fund** donated their donors and volunteers collected, delivered and the INCREDIBLE 4,816 needed items to help provide the hundreds of families we serve every week.
