Nicole Morris promoted as first Executive Director for Women Giving Back

Women Giving Back's (WGB) Board of Directors is pleased to announce the appointment of Nicole Morris to the new role of Executive Director effective immediately. Nicole has been with Women Giving Back since September 2016 as she started as Operations Manager.

Loft Transformation

Check out the amazing work Cristina Sindhu of [Solutions for Stuff](#) did in the loft! She worked on it from 10:45am-4:00pm!

We are forever grateful and are so fortunate to have you involved with our exciting organization.

Purse Donations

Thank you so much to Peterson Companies for having us as the beneficiary for the Fairfax Corner's Sip Shop Stroll events this summer. We received so many handbags and we are beyond grateful as we know these will go fast in our July stores!

New WGB Intern

Please help us welcome, Nisrine Elhage, to the Women Giving Back family! While pursuing her Bachelor's within the College of Humanities and Social Science, the School of Integrative Studies at George Mason University, Nisrine served as a community advocate by spreading awareness on threats to human rights such as human trafficking and wage theft.

Taking on the role of Operations Intern this summer, Nisrine has expressed how excited she is to learn the inner-workings of nonprofits and to help serve the women and children in our community.

Welcome to Women Giving Back, Nisrine! We're thrilled to have you on our team!

Knights of Columbus Family of Man Council at St. John Neumann Parish of Reston

Every month the Council holds a pancake breakfast to support organizations that align with the Knight's mission of unity. In June, WGB was the recipient of the breakfast proceeds of \$1,312.50. Tara and Nicole were there to speak about WGB's mission and our needs.

June Store

Thanks a million to the Young Men's Service League! What a great group of individuals who believe in the importance of taking time out of their busy days to serve their community. You sure made a difference for our community!

Thanks to [FirstService Residential Washington DC Metro](#) with over 200 bags of donations, over 25 volunteers, plenty of smiles and helping hands in June! They stayed during BOTH stores and helped out a whole lot!

We were thrilled to have the [ADAMS Center](#) Girl Scout Troops come to volunteer in June. Not only did some of them assemble snack packs to support our program, but they also helped our women shop for new wardrobes! They were such friendly faces to have and we cannot wait to have them back!

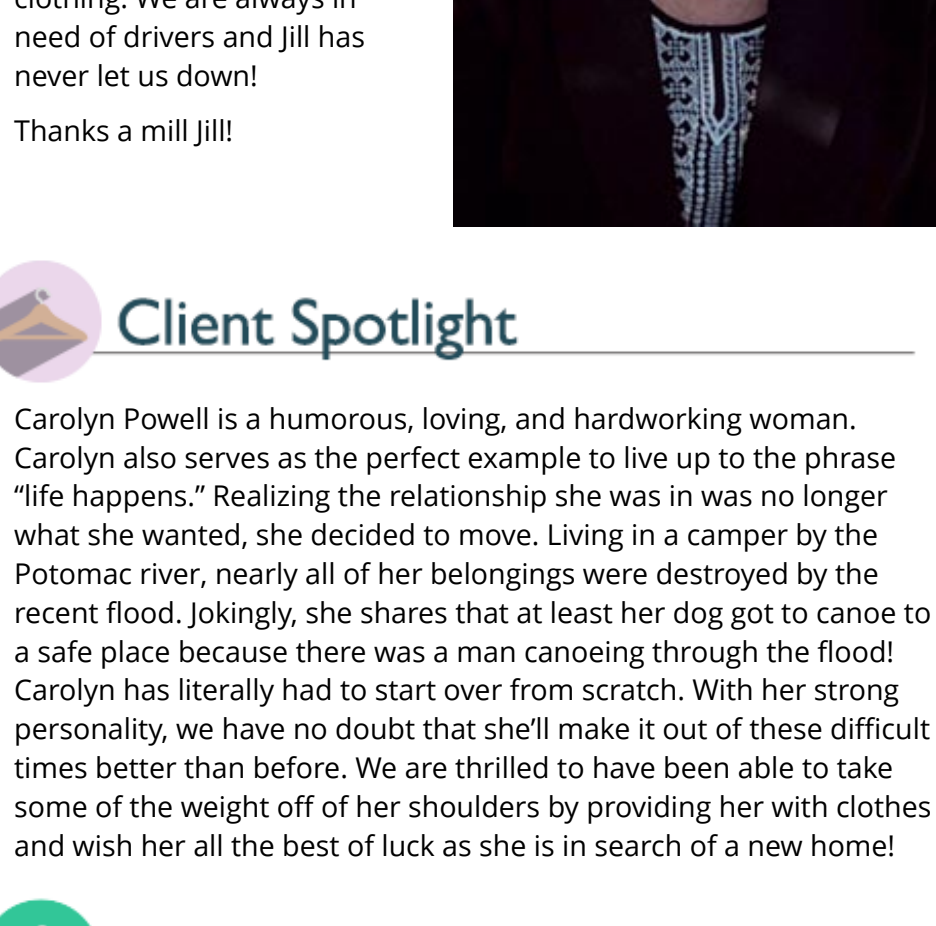

Thank you so much to [Intercoastal Mortgage Company](#) for coming out to volunteer and all of your donations! You made our Friday night go even smoother! Cannot wait to see you all again!

Successful Sorts

Long and Foster

Both offices of Long and Foster, Leesburg and Sterling/Ashburn came to volunteer on their day of service and had a blast! They helped a ton in helping us prepare for our stores in June! Thanks a million!

Infinitive

Thank you Infinitive for helping us sort through our many donations and get organized.

Flint Hill School

What fun to have the Flint Hill School service camp help us out! The camp is one week long and they choose 2 non-profit organizations where they can volunteer.

The Barbera Foundation

The Barbera Foundation group did a fantastic job of pulling together 8 personal shopping bags, loads of donations sorted including both women's and children's. Many expressed that they would like to return, and we would be super happy to have any of them.

St. Matthew's Episcopal Church

This group from St. Matthews Church call themselves "Mission Possible". They really loved our mission and worked hard today. During their Mission Possible week, they try to expose participants to different ways to help our community and often a project speaks to their heart and become a regular volunteer. We have mutual respect for each other's missions and were a great group of volunteers!

Serve Camp

Teams from [Serve Camp](#) volunteered at WGB in June. SERVE Camp is an incredible summer camp opportunity! And such fun! Thanks for your help.

Spotlight on Volunteers

This month's volunteer spotlight goes to Jill Maroney! Jill has a very warm-heart and 4 very strong wheels that help us transport clothing all around Northern VA and D.C.!

Jill has been an invaluable player in our Community Distribution Partners program, dropping off bulk orders to other charities to supplement their supply of clothing. We are always in need of drivers and Jill has never let us down!

Thanks a mill Jill!

Client Spotlight

Carolyn Powell is a humorous, loving, and hardworking woman. Carolyn also serves as the perfect example to live up to the phrase "life happens." Realizing the relationship she was in was no longer what she wanted, she decided to move. Living in a camper by the Potomac river, nearly all of her belongings were destroyed by the recent flood. Jokingly, she shares that at least her dog got to canoe to a safe place because there was a man canoeing through the flood! Carolyn has literally had to start over from scratch. With her strong personality, we have no doubt that she'll make it out of these difficult times better than before. We are thrilled to have been able to take some of the weight off of her shoulders by providing her with clothes and wish her all the best of luck as she is in search of a new home!

Volunteer Drives

Maddie Ferris, a rising senior at Dominion High School, solely spearheaded a sweatshirt drive within her community. This was her second collection for AEROPostale. She delivered 110 sweatshirts, many of them purchased new at Aeropostale using donated funds. Maddie shopped smart finding year-end clearance prices! Thank you, Maddie!

Thank you to the Oakton Otters swim club for hosting a drive and collecting so many great items for WGB! You rock!

The Virginia Women Attorneys Association made a donation of \$1,000 plus a car load of beautiful clothes. Fun time.

The Omega Psi Phi Graduate Chapter collected kids activity sets and brought them to WGB! Thank you Jermaine Cole and your Chapter for thinking of us!

After volunteering, Susan Go (Senior Manager, ECS Public Sector Solution Engineering at SalesForce) was inspired to host a Summer Drive to benefit WGB. Donations of new swimsuits and sunscreen were collected and thanks to the efforts of her Herndon community, they were able to collect 24 swimsuits and 18 bottles of sunscreen!

Thank You!

Thanks to the NVAR - Northern Virginia Association of Realtors® and NVAR Young Professionals Network for coming to volunteer.

Thank you so much Vienna Presbyterian Church for helping us stock our supply for our final store in June! This was one fun group!

This awesome group of girls from Dominion High School helped out with the Youth For Tomorrow store in June. Thanks so much!
