Barbara Comstock's 10th Congressional District's Young Women Leadership Program Graduation

Pat Leader, Emilia Philip and Nicole Morris represented WGB at Congresswoman Barbara Comstock's 10th Congressional District's Young Women Leadership Program Graduation today.

The program provides young women currently enrolled in middle school and high school with the opportunity to meet and interact with women who hold leadership roles in government, business, medicine, media relations, and other professions.

We spoke on the importance on "Giving Back", what we do and told some touching WGB stories. We had the honor of presenting the girls' graduation certificates.
