Community Foundation Opens New Nonprofit Training Center

WGB had the opportunity to tour the Community Foundation for Loudoun and Northern Fauquier Counties new office and celebrate the ribbon cutting + the unveiling of our new Claude Moore Nonprofit Training Center.

The Community Foundation has been a vital resource to WGB. We look to them for advice and our staff and board members have participated in many of their training opportunities.

We look forward to attending trainings in their new center!

WGB Referral Partner, Generation Hope featured on Good Morning America

We're excited to share that Good Morning America featured Generation Hope in a segment on Monday, September 16th. With this coverage we have the opportunity to amplify the persistence and drive of teen parents on a national level.

Generation Hope's mission is to surround motivated teen parents and their children with the mentors, emotional support, and financial resources that they need to thrive in college and kindergarten, thereby driving a two-generation solution to poverty — we hope that this segment inspires others to get involved with our work and to find ways to support teen parents in their own communities!
