Volunteer Spotlight

Jill Maroney

We are very excited this month to shine a spotlight on our wonderful volunteer Jill Maroney. Jill has been a volunteer with Women Giving Back since 2014, and just this year, she has volunteered more than 50 hours of her time! Jill is the kind of person who is always willing to lend a helping hand, or even one of the tools she seems to have on her whenever you need one.

At the start of the COVID-19 outbreak in March, Jill stepped up more than anyone would be expected to. Previous volunteer experience allowed her to connect us to our partners BRAWS and Fairfax Diaper, who have been providing feminine hygiene products and diapers for our clients and continue to do so. More than that, Jill was essential during our food distribution drive-through. She attended every single Saturday drive-thru, helping to organize and pack food and other supplies on the fly, and even sharing her homemade goodies with our staff! Indeed, Jill was one of the first people to take up the reins in organizing our now ongoing diaper pantry. Jill is an absolute pleasure to work with, and we are always happy to see her at WGB, dropping off donations from BRAWS or lending a helping hand. Thank you Jill!

Examples of our needs are as follows:

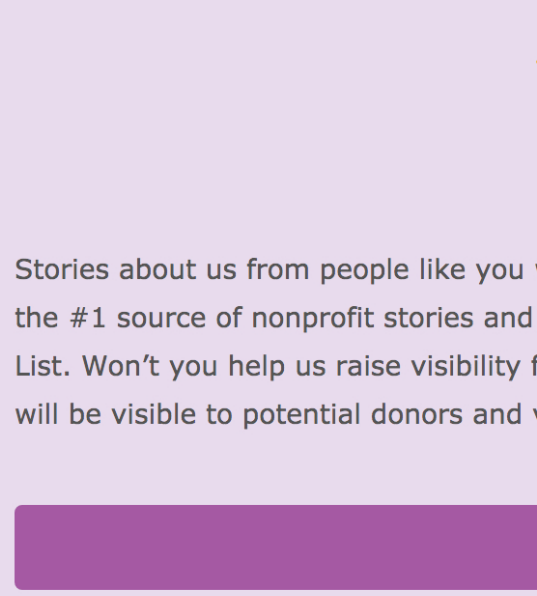

1. Modifications for social distancing in boutique and warehouse. Sneeze guards, disinfectant and PPE stations, signage.
2. Warehouse overhaul - We have not invested in this space in years. New shelving and a new layout will help create a safe and clean working environment for our volunteers.
3. New Program! Our new diaper pantry is being set up in a designated and organized space.
4. Boutique - Changes will be made to safely allow shoppers back in through referrals and appointments.
5. Our new and improved look & logo on aprons and more!

Upcoming Volunteer Hours/Dates

Limited volunteer spots are now available on our **Volunteer Hub Calendar!** Volunteer groups that would like to arrange Group Sorts should contact our Warehouse & Volunteer Coordinator at julia@womengivingback.org. Please note that all volunteers are required to sign our new volunteer agreement upon registration, and that masks are required at all times on WGB property. We have welcomed back volunteers who have been busy in our warehouse-we would love to see you here!

We've Got a New Look!

A shout out to our design & branding partner, **Red Thinking**. We have rolled out a new website, collateral, van design, logo and more! Social media brand ambassador, Shay Onorio and her team were able to capture what our evolution needed through being a big part of our organization and knowing what would resonate. We hope you like it; because we love it!

Our Covid relief efforts were possible because of your generosity.
