Bag-to-Go Program 329

This program primarily serves domestic violence and human trafficking survivors as they often flee their abusers with nothing but the clothes on their back.

Community Distribution Partners 25,850

Our CDP program has now provided clothing to 7 US States and 23 countries worldwide, expanding our footprint to make a bigger impact. This year we provided our CDPs "redistributors" 25,850 articles of clothing their own locations to support their mission in clothing those in need at no charge.

2021 IMPACT

IN TIMES OF CRISIS, OUR COMMUNITY COMES TOGETHER TO SUPPORT OUR MOST VULNERABLE NEIGHBORS

Helping Women and Children in Crisis by Distributing Clothing at No Cost

WGB's Diaper Pantry celebrated its one year anniversary in June 2021!

Children & Youth

3,702 Community Diaper Pantry

Our Diaper Pantry provides a monthly supply of diapers, wipes, and period supplies to on average 400 low-income families a month. Started in June 2020 to meet the needs of those struggling to make ends meet during the pandemic. The cost of diapers puts an enormous financial strain on struggling families and often families are forced to choose between diapers and necessities.

372 Back-to-School Supply Program

Our Back-to-School Supply program provided 372 students backpacks, clothing, and shoes that they are proud to wear. By fueling their confidence, it encourages them to stay in school by helping them focus on their strengths and not their struggles.

592 Holiday Gifts for Kids

Our annual Santa's Workshop provided 4,448 toys and gifts to 592 local low-income children. All handpicked and wrapped by their mothers, allowing them to contribute to their children's happiness, free from financial limitations.

8,249 Kids Snack Packs

8,249 Kids Snack Packs are assembled by volunteers and supply kids we serve with two days worth of easily to prepare meals.
