Drafting a resume that is polished, current, and clearly highlights your qualifications for your targeted job is essential in landing an interview. Your resume is an employer's first impression of you and is often the deciding factor in whether you are selected as a candidate to interview. Join us for an event where you will gain valuable resume writing advice, interview advice, and individualized resume writing assistance and coaching – including a one-on-one breakout session to review and revise your resume. Each participant will leave with an updated, polished resume to help find their next job.

Participation is limited to the first 15 to register. Childcare will be available.

What to bring: Either a current resume or a list of your job history, skills, education, or any community service.
